

Chief Executive Officer

- **Lead a Global Sporting Organisation**
- **Drive Dynamic Growth**
- **Develop and deliver a Transformational Agenda**

World Bowls is the International Federation for the sport of Lawn Bowls globally, embracing member organisations in over 50 countries. Lawn Bowls has a long and successful history as a Commonwealth Games sport. World Bowls now seeks to appoint an inspirational and dynamic new leader.

Reporting to the Board this role represents a vitally important strategic pillar in positioning World Bowls for future growth by focusing on the key priorities identified in a recently concluded comprehensive organisational review.

Driving a transformational agenda, the successful Candidate will lead and develop a strong culture within our full-time and volunteer workforce, drive engagement with a range of key sector stakeholders internationally as well as ensuring constructive collaboration with all our Member Organisations and future Commercial Partners.

A key outcome of your leadership success will be a measurable increase in participation, registrations, revenue and increased recognition of the sport globally.

The successful candidate must bring to the role a record of outstanding visionary and decisive leadership, team development and considerable intellectual rigour. They will be decisive, inspirational, have excellent strategic capability, proven commercial experience and a demonstrated record of building sound and effective stakeholder relationships. The position requires a credible spokesperson and respected communicator able to drive, deliver and promote initiatives through to successful conclusions.

Experience within the sport industry is desirable and should preferably be supported by relevant tertiary qualifications. An excellent track record of leadership, ideally in the not for profit sector, successfully addressing significant organisational challenges will be highly regarded.
