In particular, the Board shall be responsible for acting on all issues in accordance with the objects of World Bowls, the policy directives of the Council and shall operate for the benefit of World Bowls.

25.2 The Board shall be entitled to promulgate such Regulations as the Board believes to be required.

26. Board Meetings, etc

26.1 The Board shall meet as often as is deemed necessary in every calendar year for the dispatch of business and may adjourn and, subject to the Articles, otherwise regulate its meetings as it thinks fit. The President or 3 Regional Directors may at any time requisition a meeting of the Board, which meeting shall be held within a reasonable time of such requisition.

26.2 Without limiting the power of the Board to regulate their meetings as they think fit, a meeting of the Board may be held where one or more of the Directors is not physically present at the meeting, provided that:

26.2.1 all persons participating in the meeting are able to communicate with each other effectively simultaneously and instantaneously whether by means of telephone or other form of communication;

26.2.2 notice of meeting is given to all Directors entitled to notice in accordance with the usual procedures agreed upon and laid down from time to time by the Board and such notice specified that Directors are not required to be present in person;

26.2.3 in the event that a failure in communications prevents Article 26.2.1 from being satisfied by that number of Directors which constitute a quorum, and none of such Directors are present at the place where the meeting is deemed by virtue of the further provisions of this Article to be held, then the meeting shall be suspended until Article 26.2.1 is satisfied again. If such condition is not satisfied within 15 minutes from the interruption the meeting shall be deemed to have terminated;

26.2.4 any meeting held where one or more of the Directors is not physically present shall be deemed to be held at the place specified in the notice of meeting provided a Director is there present and if no Director is there present the meeting shall be deemed to be held at the place where the Chairperson of the meeting is located.

26.3 The quorum for meetings of the Board is 5 Directors, 3 of whom must be Regional Directors.

26.4 Decisions of the Board shall be decided by a majority of votes and a determination of a majority of Directors present at the meeting shall for all purposes be deemed a determination of the Board. The President, the Regional Directors and Appointed Directors shall each have one vote on any question. In the event of an equality of votes, the Chairperson shall exercise the casting vote. The Chief Executive shall not be entitled to vote.

- 26.5 The President shall chair all meetings of the Board. If the President is absent, or is unwilling or unable to act as Chairperson, the Board shall appoint one of the Regional Directors to be the Chairperson.
- 26.6 A resolution in writing by all Directors shall be as valid and effectual as if it had been passed at a meeting of Directors duly convened and held. Any such resolution may consist of several documents of like form each signed by one or more of the Directors. Any such document will be valid if signed via facsimile or electronically.
- 26.7 Unless all Directors agree to hold a meeting at shorter notice (which agreement shall be sufficiently evidenced by their presence) not less than 30 days written notice of the meeting of the Board shall be given to each Director. The agenda shall be forwarded to each Director not less than 14 days prior to such meeting.
- 26.8 A Director shall not vote in respect of any contract or proposed contract with World Bowls in which he is interested or any matter arising from that contract and if he does so vote his vote shall not be counted.
- 26.9 All acts done by a meeting of Directors, or of a committee of Directors, shall, notwithstanding that it be afterwards discovered that there was a defect in the appointment of any Director or that any of them were disqualified from holding office, or had vacated office, or were not entitled to vote, be as valid as if every such person had been duly appointed and was qualified and had continued to be a Director and had been entitled to vote.
- 26.10 If a question arises at a meeting of Directors or of a committee of Directors as to the right of a Director to vote, the question may, before the conclusion of the meeting, be referred to the Chairperson of the meeting and his ruling in relation to any Director other than himself shall be final and conclusive.

30.2 For the purposes of Article 30:

30.2.1 a general notice given to the Board that a director is to be regarded as having an interest of the nature and extent specified in the notice in any transaction or arrangement in which a specified person or class of persons is interested shall be deemed to be a disclosure that the director has an interest in any such transaction of the nature and extent so specified; and
